

FINANCIAL AID APPLICATION

The TU Dance Access Fund provides need-based financial aid for students of TU Dance Center. Applications are evaluated based on financial need and commitment to study dance. Although we would like to provide financial aid to all applicants with need and commitment, the Access Fund depends on donor and foundation contributions, and funds are limited. Flexible payment plans are available to all families of TU Dance Center.

Students interested in applying for financial aid must submit this form along with a completed online registration form and most recent Federal Income Tax Return. Forms may be emailed to education@tudance.org or mailed to TU Dance, Attn: Education, PO Box 40405, Saint Paul, MN 55104. Information will be kept confidential.

TERMS

TU Dance Center reserves the right to request verification of household income and number of dependents as reported on Federal Income Tax forms. Financial aid decisions are made for each session and do not automatically renew. New students in the Pre-Professional Program, Bridge Level, and Teen Level must pay the \$35 new student registration fee, regardless of financial aid.

I agree with the terms of this application.
